

June/ 2009

Families request that memorial donations be made in care of The Benjamin Foundation when they are undecided on the recipient(s). This temporary arrangement allows time to grieve, to learn more about needs in the community and to select charities that honour the deceased most appropriately. The Benjamin Foundation enables families to acknowledge the generosity of contributors with a thoughtful decision.

This listing, to be published occasionally, acknowledges donations from memorial funds set up over the previous months, to the charities named:
